“Meet the Candidates”**

The Gwinnett GOP and Gwinnett Republican Women (GGRW) have added a “Meet the Candidates” event to introduce Republican Candidates in contested Primaries to the voting public on June 24 at 7:30 at Collins Hill High School. This venture is in addition to the candidate forum being presented on June 22 at the same time and place.

“We believe that every candidate who puts his or her hat in the ring, needs the support of their party,” said GOP Chairman Bruce Le Vell. “These two events allow the greatest exposure to the voters and we invite all to attend”

The Meet the Candidates event will present those who are running for House Seats: Josh Clark District 98, Steve Ramey District 103, and Valerie Clark District 104. Also, both Joe Anderson and Travis Bowden who are running for Senate seat 9.

“Voters will have a chance to hear these candidates list their qualifications, their vision for the position, and answer questions posed by the voters,” added GGRW President, Peg Murray.
